

Newstead Open Studios art trail is a locally-inspired and crafted event, held annually since 2015 and based in and around Newstead, in the heart of Victoria's goldfields region.

See the works of artists, printmakers, jewellers, painters, potters and sculptors in their own studios, just 10 minutes from Castlemaine.

Each year we open our studios to you, our visitors. There will be plenty of beautiful and diverse art for sale at each studio, you might even make a purchase or two.

Visiting a studio is special; come inside, look around, and ask questions and we'll happily share a story or two about what we make and why. It's a feast for the senses.

Our artists live and work on Djaara country. We acknowledge and pay our respects to the Dja Dja Wurrung people as the traditional custodians of this land, and to their Elders past, present and emerging. We extend that respect to any First Nations people visiting our studios. We acknowledge that Aboriginal sovereignty has never been ceded.
